About

NodeConf Colombia 2019 is the first international event focused on the entire Node.js ecosystem.

It's a non-profit event, where our attendees will be sharing in an environment of inclusion and respect, having access to relevant information through talks, workshops, and great experiences with the Colombian Node community.

Impact

NodeConf Colombia expects over **350** attendees coming from all over the world, especially **Latin America**.

Format

Conference will consist of two days, one for workshops and one for 30 minute talks.

Day 1

- NodeSchool (Morning)
- Code & Learn (Afternoon)

Day 2

- 12 Talks
- Speakers Panel

Code & Learn

Code & Learn events allows the participants get started (or go further) with Node.js core contributions.

Experienced contributors help guide the assistant of the event to go through their first (or second or third or fourth) commit to Node.js core. They also are available to provide impromptu guided tours through specific areas of Node.js core source code.
